HIGH LANING FARM SD 70289 / 87093

Caravan/Motorhome/Camping

This is a separate site suitable for Leaders, Teachers and Assessors

Modern Facilities Shower and Toiletries' Block and Launderette with Drying Cupboards

Wi Fi /Phone/computer/coping machine available at the farm house.

We also have to offer a cottage that accommodates four close by the camping area.

The site is level with a lovely view of the Dale. It is surrounded by magnificent hills and lovely scenery and is a perfect camping base for walking long distances and expeditions

The site is situated 500 yards to the west side of Dent Village with its quaint cobbled streets and a host of historical attractions include Adam Sedgwick's Memorial Fountain and Norman Church.

At the head of the valley four miles from Dent village, the spectacular Settle to Carlisle railway line pass through Dent Station, which is the highest railway station in England at 1100ft above sea level.

We have always welcomed camping groups and have had many over the past years and would be grateful if you would circulate our web site www.highlaning.com or leaflet to your schools or organisations, also we would be very pleased to have you camp with us and look forward to hearing from you.

If you require further information, please do not hesitate to e-mail or telephone.

Sincerely

Margaret Taylor
